

## Instructions for activating UNI-login:

1. Important: You will need to use your NemID to activate your UNI-login.
2. Click “*Glemt brugernavn eller adgangskode?*” (“Forgot your username or password?”), and then “*Log på med NemID*” (“Log in using NemID”):

The first screenshot shows the UNI-Login page with fields for 'Brugernavn' and 'Adgangskode', a 'Log ind' button, and a link for 'Glemt brugernavn eller adgangskode?'. A red circle highlights this link, with an arrow pointing to the second screenshot. The second screenshot shows the 'Glemt brugernavn eller adgangskode?' page with a list of instructions and a 'Log på med NemID' button, which is also circled in red with an arrow.

3. Log in using your personal NemID:

The screenshot shows the NemID login interface. It features a 'Log på med NemID' button and a 'NEM ID' box containing fields for 'Bruger-id' and 'Adgangskode', both with question mark icons. Below the fields are links for 'Glemt adgangskode?' and buttons for 'Næste' and 'Afbryd'.

4. Your UNI-login username will then be displayed. Make a note of this username and choose a password.
